***Please note:** Bonuses paid on up to 20 issued policies. Within New York state, only Category D ProCare Medicare Supplement sales apply for the program. Disability Med-Supp sales everywhere are excluded from the program. Conversions between UA, GLNY, and GLA are excluded from the program. If you were appointed with UA, GLNY, or GLA prior and earned a Fast Start incentive, or if you got appointed with UA, GLNY and GLA at different times, contact your regional director for exceptions. Determination of Home Office as to eligibility is final. Some restrictions apply; see amazon.com/gc-legal for details.
